

## Jesus Bore Our Sicknesses

“Healing is part of Christ’s atonement. If Jesus died to provide healing for us, then it’s not just incidental. If the Lord suffered and took stripes on His back for our physical healing, then it’s not insignificant. If Jesus thought enough of healing to purchase it for us, then we ought to think enough of it to receive.

God the Father caused His Son to bear all of our sins and all of our sicknesses to the cross. Jesus took our diseases just as much as He took our sins. Therefore, it honors Him to promote healing. In fact, Jesus spent more time talking about healing than He did several other truths that many people consider to be essential issues today—heaven and hell in particular. Actually, the Lord used healing like a bell to get people’s attention and to prove that He DID have power on earth to forgive sins. --Andrew Wommack

### A MERRY HEART

Fred called a church and asked to speak to the Head Hog of the Trough.

Secretary: How rude! I'll have you know we would NEVER EVER refer to our pastor as a hog.

Fred: Okay, then just take a message. Tell him I've come into a bit of money so I was calling to give your church \$10,000.

Secretary: Well hold the phone, dearie! I think I see that big fat pig coming down the hall right now.
