

Smith Wigglesworth's Vision of the End-Time and Greatest Harvest

Of great interest to us today is the following account of a particularly powerful vision given to Smith Wigglesworth during the early part of World War II, when he was being visited by a young Lester Sumrall (the well-known healing/deliverance evangelist and founder of the charitable organization 'Feed the Hungry'). This account of Wigglesworth's vision comes from pg 168-169 of Lester Sumrall's 1995 book, 'Pioneers of Faith':

"... Shutting his eyes again, he said, 'I see the greatest revival in the history of mankind coming to Planet earth, maybe as never before. And I see every form of disease healed. I see whole hospitals emptied with no one there. Even the doctors are running down the streets shouting.'

"He told me that there would be untold numbers of uncountable multitudes that would be saved. No man will say 'so many, so many,' because nobody will be able to count those who come to Jesus. No disease will be able to stand before God's people... 'It will be a worldwide situation, not local,' he said, 'a worldwide thrust of God's power and God's anointing upon mankind.'

"Then he opened his eyes and looked at me and said, 'I will not see it, but you shall see it. The Lord says that I must go on to my reward, but that you will see the mighty works that He will do upon the earth in the last days.'

"... The idea that I would get to see this revival was almost overwhelming. And in the last decade or so, I believe we have seen this revival begin to sweep the earth. We have seen amazing moves of God in Africa... Recently, I was in China and met with the underground church. I was told there are at least forty-five million Full Gospel Christians in China. I discovered a depth of prayer and integrity there that I have not felt anywhere else in the world... So I believe we are seeing Wigglesworth's prophecy begin to be fulfilled. We are seeing the first stages of it."
