

A MERRY HEART

Six-year-old Angie and her four-year-old brother Joel were sitting together during church services. Joel giggled, sang, and talked out loud. Finally, his big sister had enough.

'You're not supposed to talk out loud in church.'

'Why? Who's going to stop me?' Joel asked. Angie pointed to the back of the church and said, 'See those two men standing by the door? They're hushers.'

A Prophetic Moment

I had a vision recently and I saw the word "DELAY" before my eyes. It was spinning and spinning. The sense was strong that the delays which many are facing have sent them into a "spin" of confusion. I then saw the Lord breathe upon the word "DELAY" as it spun. Suddenly it stopped and became the word "DIRECTION." **The Lord spoke to me, saying that where there has been delay for many, He is breaking delay and He is now releasing NEW direction.** The Lord is releasing the fresh clarity of His direction. There are going to be numerous, new adventures with Jesus. He is going to take you where you have never been.

The Law of Sowing and Reaping

The first key principle is to turn your life over to God and look to Him as *the* source of your supply. Because you love God and trust in Him as your Source, the second key is to give to Him *first*. Whatever you give becomes seed for Him to multiply back in the form of your needs.

It is the giving of talent, the giving of time, the giving of love, the giving of compassion, the giving of money; really, *it is the giving of yourself*. Whatever the gift, it represents you. It is seed that you are sowing. God accepts it as Seed-Faith and applies to it the law of sowing and reaping.

God's multiplying back what you give—I call this a miracle. I know no other word for it. Who can explain the phenomenon of a seed growing and multiplying?

Each time I visit the giant redwoods in California, I marvel at their size. Hundreds of years ago, each tree was one tiny seed. Looking at one tree through which a road is cut and seeing the mighty branches hundreds of feet above, all I can say is, "It's a miracle." —Excerpts from MIRACLE OF SEED FAITH by Oral Roberts

*Freedom is never more
than one generation away
from extinction.
We didn't pass it to our children
in the bloodstream.
It must be fought for,
protected, and handed on
for them to do the same.

Hymn Inspirations

Now thank we all our God, with heart and hands and voices,
Who wondrous things has done, in Whom this world rejoices;
Who from our mothers' arms has blessed us on our way
With countless gifts of love, and still is ours today.

God is a proven help in time of trouble.
